Vision: We will grow into a community-wide, city renowned quality middle school by providing consistent, equitable, high quality standard based instruction with various extracurricular offerings, in a safe and nurturing environment. Our school will be the first choice for middle school enrollment. Coupled with parent support and community resources, our educational program will lead to opening minds, raising and sustaining student achievement and creating pathways to global learning.

Mission: Ronald H. Brown will provide a quality, student-centered and academically focused atmosphere where parents, staff, and community members are instrumental in the growth and success of every child. We also strive to meet the needs of all students to enable them to excel within society.
